Andrea Culpepper
Cathy Scholl

Dear Friend,

We are excited to be included in a future issue of *Significant Living*, a Christian magazine 'celebrating life and faith after 50.' The article, called "Room Service," first reminds us how Joseph and Mary could not find room at an inn...then describes three inns where the owners "have found a way to make places of rest and renewal for those in need—not just at Christmas, but all year through." It explains how Lamb's Tale offers people in full-time Christian ministry two free nights per year, and have "watched these servants relax into the loving environment, feast on delicious food, and find rest for their souls. Clearly God had arranged for the Haven to bless Christian leaders"

You are a great part of how we fulfill our mission to bless Christian leaders through the rest, renewal, and encouragement of respite care. Their time at the Haven whispers confirmation to leaders: your calling and purpose is not a mistake nor in vain. I am with you!

See how one pastor's wife expressed it:

You have a valuable ministry to the Body of Christ! Thank you so much for the respite we have enjoyed here at Haven River Inn. Being quiet in a peaceful environment has given us much needed rest..... The thing that touches my heart most is that you show by the way you have provided for us that what we do is valuable. You validate us and our ministry. For that, we thank you!
Sincerely, Betty Griffin

Last month the Haven looked beautiful all dolled up for a wedding...

In other news, Lamb's Tale Ministries held its 10th Writers' Retreat in July. About 20 people enjoyed learning from authors Chris Tiegreen and Jane Rubietta. You don't need to be (or even desire to be) a published author to come to our Writers' Retreats. Has the Lord led you to write your story? Have you ever wondered how the different events of your life "work all together for good"? Email or call the office and we'll be sure you get on our next Writers' Retreat mailing.

Serving over 200
Christian leaders
so far in 2008

As you consider your year-end giving, will you choose this ministry to leaders and multiply your gift many-fold?

We are a 501c3 nonprofit ministry...your donations are totally tax deductible.

Sincerely,

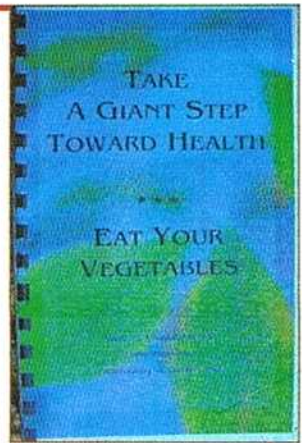

For the Board of Lamb's Tale Ministries

See other ways to give on the back, and on the enclosed envelope.

We are a soul care ministry offering retreats, counseling and leadership care...helping believers live out of the heart God gave them.

**Selling like whole wheat hot cakes!
with naturally sweet Agave syrup on top!**

Do you have pesky problems with your health... things your kind-hearted doctor has been nagging you about? We're talking about hypertension, high cholesterol, osteoporosis, and more threatening ones like cancer, heart attacks, and strokes. Convinced that our health can be greatly improved by Good food choices, Dr. Suz has become truly Gung Ho Ho Ho about Medical Nutrition. She's put together a lot of easy-to-read, practical information in her book, *Eat Your Vegetables*, which is entering its third printing (and third version... it just keeps getting better!) This little resource book answers "Why to, How to and What to Change." We are all inundated with advice, and for those of us willing to make a diet change...the effort needs to be *effective*. Are all organic foods equal? What's this about anti-inflammatory foods? Does alkalizing my diet really matter? And what's nutritional density? Is a spinach salad really about 7 times more nutritional than an iceberg lettuce salad? (yep). And of course there's lots of recipes (thanks to Kathi Herzog and others!) One missionary wife lately bought 7 copies because this little book helps her explain the "why change" to her husband. Call for your copy, and consider giving some to your friends and family who admit they need to start eating more healthily (as they reach for another chip). Considering health care costs, the price of \$12 is cheap!

Priced from \$7.58 to \$19.49, in a 3 oz., 8 oz., and 13 oz. size. Plus Quickmelt, which is a wick-less (i.e. no fire) scent to place on a small burner (like a cup warmer) to create a safe, aromatic environment...What a deal!

Good News!
Our friend and bookkeeper
Cathy Scholl has offered to continue her
Angelic Candle sales, with a hefty portion
of the proceeds benefitting Lamb's Tale Ministries. She believes in our ministry, and wants to help further our goals. Please contact us for a brochure, or drop by to smell the candles... some of the longest lasting and best smelling candles in the business! A Perfect gift for Teachers, Hostesses, and just about anybody!
(Look for her booth at Trade Days!)

*Our sincere thanks to those of you who've
already purchased candles!*

What to Give someone who has everything? How about a chance to get away from it all! If you use the Haven for any purpose (vacation, reunion, wedding, or any overnight

function) you can purchase your event and at the same time help the Heritage School, a classical, Christ-centered school in Fredericksburg.

By pre-purchasing a Haven stay on-line, in \$100 increments, the Scrip program sends Heritage School 15% of your purchase amount. It's easy to register at www.shopwithscrip.com. Look for us under the 'Travel' category. Please use Heritage's code: 2L3L669314532 There is no donation value in this, but you'll get a triple great blessing doing good for a Christian school, Lamb's Tale, and yourself! How cool is that!?

Spend a lazy afternoon rocking or taking a stroll by the beautiful Guadalupe River
